Dear Dr. Von Braun:

Regarding your discussion on T-V of the acres or square miles of faceted metal in space to act as a reflective mirror to control heat, weather, etc., the Bible has pre-empted the European physicist's concept thusly - thousands of years ago -

"Hast thou with Him spread out the sky, which is strong, and as a heavy metal mirror? (or as a molten looking glass?" Job. 37: 18. Also the laser light reflector you left on the moon - "And now (men) see not the bright light which is in the clouds, but the wind passeth - and cleanseth them." Job 37: 21

This bright light is the key to the universe - let there be light" - because if you can discern the answer to this question you love it:

"By what way is the light parted which scattereth the east wind upon the earth?" Job 38: 24  
(Jesus said I am - the way).

If you as a great scientist will look over two chapters  
at least of Job in the Holy Word - chapters 37, 38  
39, 40, and 41, and apply your scientific knowledge  
to the verses here, you can save our nation.

Consider the Great Pyramid at Gizeh as the first  
and point for the laser beam you mention or  
others mentioned. This great structure built by the  
Architect of the Universe holds the secret of the Pluade  
and Aleyone, and solar measurements, but more  
importantly, it refers to Christ - and the capstone  
worthy to be placed on its summit - a sapphire  
3 feet high - a cornerstone the same shape as the  
rest of the building refers to Christ. This is on the  
great seal of the USA, and on the dollar bill and  
this is how God is going to bring this nation into  
His priesthood to serve Him - as a temple to the  
Lord - until - repeat only until - Israel goes  
home to build her physical temple again in  
Jerusalem - for it is the city of the Great King -  
and He is soon to return - - the placing of the stone -  
(which the builders rejected) is His "heraldic

Consider the Great Pyramid at Gizeh as the first second point for the laser beam you mention or others mentioned. This great structure built by the Architect of the Universe holds the secret of the Pleiades and Aleyone, and solar measurements, but more importantly, it refers to Christ - and the capstone shortly to be placed on its summit - a sapphire 3 feet high - a cornerstone the same shape as the rest of the building refers to Christ. This is on the great seal of the USA, and on the dollar bill and this is how God is going to bring this nation into its priesthood to serve Him - as a temple to the Lord - until - repeat only until - Israel goes home to build her physical temple again in Jerusalem - for it is the city of the Great King - and He is soon to return - the placing of the stone - (which the builders rejected) is His "heraldic announcement".

So consider the Pyramid - it is in the earth's center.

Can't they find the secret influence of the Pleiades? Job 38:31

The dividing of the continents is mentioned sublimely and concisely - the fifth (number of division) generation after the flood "unto Eber were born two sons; for in his days was the earth divided" Genesis 10:25

There shall be "abundance of peace as long as the moon endureth" Psalm ~~72~~ 72:7

"He shall have dominion." Israel's calendar today is based on the moon. The ordinances of the night and the day - the sun and the moon - have not departed from God, but are His proof that Israel will endure forever. Behold my people are at hand to come home. These are facts in the world. Israel has entered on her critical priesthood - 20 years a nation.

God Almighty has tolerated your remarks from your so great intellect that your feat in retrieving men from the moon is equivalent to crawling out of the ooze. If you persist in such thought, "indeed under the smooth stones of the stream is Thy portion" (Isaiah 57:6)

The USA is Ephraim. The blessings of Joseph - the two-horned unicorn (church and state) are ours.

hand to turn us to being cursed, instead of blessed. In fact, you could investigate these Bible passages along with your scientific knowledge, and I have no doubt the Mighty God (who hath been His counsellor?) could give you the secrets to bring food and rain to the world. Rain rain and spiritual rain.

I believe in the actual the sky as a mirror works with the sea and it all has something to do with salt. Indeed these parallels and analogies exist all through the fabric of our world - Jesus said, "ye are the salt of the earth"; and we do know the hungry, underfed, under-developed are those nations "who know not Christ" *is salt* the rain, and the rain - and Israel's land will be green again as they come back, and God will open rivers in high places.

Amos said, By whom shall Jacob arise? a plumbline. The plumbline is certainly one of your tools. And you know better than ~~any~~ any living that God "hings the earth upon nothing" Job 26:6.

The ice locked north and south of our globe were  
 judgments for the spiritual which result in judgment  
 for the physical; and this is the cause of earthquakes.  
 This ice - the Crater compensated for it - tilted  
 the earth - but "the whole creation groans and  
 travails, waiting for the manifestation of the sons of  
 God." I think more heat is being generated which  
 is melting poles and we get steam - and someday -  
 what a great blow!!

The foundation for the return of Israel as head of the  
nations again is the moon. The woman clothed  
 with the sun - the moon under her feet. Rev. 12:1  
 Israel went into captivity and times of the gentiles  
 began in 586 B.C. with Nebuchadnezzar. He was  
 king of the known earth. God gave him this power -  
 comparable to your position today. He had a dream -  
 a hateful dream - which Israel's captive son, Daniel,  
 interpreted for him. Notice the Scripture says  
 "After this (your punishment) thou shalt have known  
that the heavens do rule. Wherefore break off thy  
chains - and thine shackles. . . ."

Heare in a chess game, sin. God's challenge to Himself  
to always bring a clean thing out of an unclean.

He said's prayer - "Lead us not into temptation".  
By the Word of the Lord were the Heavens made; He spoke  
and it was done". He hung the moon just close

enough to entice man for centuries, and just far  
enough that "at the appointed time" for Israel,  
the world set foot on it. This is a trespass on  
sovereignty.

But if you will take all the  
technological advances and use them to the  
glory of God, and show mercy to the poor - Certainly  
there will be a lengthening of your tranquility -

 hell, and we as a nation will have great convulsions  
 of trouble before we recover. Indeed, we will serve the

 But your part in it is up to you.

The fear of the Lord is the beginning of wisdom.

But would your exultation be today if the God of  
 Israel had withdrawn the breath of the one cucking  
 to come pick up the others? Between the quip and  
 home and amid the waste, the American people  
 would be hitting you in the face with pickaxe
